

**Saugus High School Band and Flag Team Booster Club**  
**Code of Conduct**

1. Booster members shall adhere to all policies, rules, guidelines, and requirements set forth by the William S. Hart Union High School District ("District"), Saugus High School ("School"), and the directors and staff of the Saugus High School Band and Flag Team ("Program").
2. Booster members with District Volunteer Clearance shall adhere to all policies, rules, guidelines, and requirements set forth, and agreed to, within the Volunteer and/or Driver application and training.
3. Booster members shall adhere to the most current revision of the Bylaws of the Saugus High School Band and Flag Team Booster Club.
4. Booster members shall support a program culture of positivity, inclusivity, volunteerism, respect, honesty, and integrity.
5. Booster members shall set a proper example for all students and parents in the program, of the school, the public, and anyone with any other affiliation. Booster members shall treat everyone with respect and courtesy, and support all students, staff, and other booster members with a positive attitude.
6. Booster members shall support and celebrate the success of all students and of the program. Members shall also support and encourage students when faced with challenges and obstacles.
7. Booster members shall conduct themselves with integrity and in a respectful manner during booster club meetings. All input, suggestions, questions, concerns, or complaints are welcome, and will be discussed and addressed, as long as it's done so in a proper and respectful manner.
8. Booster members shall work collaboratively with each other, chairpersons, Board members, directors, staff, and administration.
9. Booster members shall utilize official social media platforms of the Program, School, District, and other affiliations with respect and proper conduct.
10. Booster members shall direct questions and concerns to the Board of Directors (Booster Club Board, Band Director, and Colorguard Director) in order to receive the proper, official response. Booster members are aware that official responses will not be provided via social media.
11. Booster members understand that this Code of Conduct will be periodically reviewed, and updated as needed.
